About This Game

AirShock - from the pilot of a combat helicopter to the general of the US Army. Take part in the Middle East War on International Terrorism.

ISIL is a terrorist group that encroaches on the territory of all countries. The command center is tired of constant terrorist attacks and sends a large army to suppress the terrorist threat. Two brothers with the Father are at the head of this army.

As a pilot:

- Buy and upgrade helicopters
 - Destroy the enemies
 - Earn money and points
- Play with a friend on one screen

In confrontation mode you can take on the role of the general. In this mode you will be able to:

- Create military vehicles, armored vehicles, tanks and aviation.
 - You will also be able to use artillery and air strikes.
 - Repair damaged equipment, etc.
- American contingent on the way!
